

Employment

- 2000–present **University of Bath**, Senior Lecturer (formerly lecturer) in psychology
Responsible for writing, administering and delivering units at all levels from Year 1 undergraduate to doctoral (main topics: statistics and research methods; traffic, transport and environmental psychology). Involved in Widening Participation through summer schools and school visits. Built high-profile transport and environmental research programme.
- 2009–2010 **Wiltshire College**, Community course lecturer, introductory psychology (part-time)
- 2000–2003 **Dyslexia Institute**, Psychology lecturer (part-time)
Wrote and presented psychology lectures to teachers in training for DI qualifications.
- 1999–2000 **Max Planck Institute of Human Cognitive and Brain Sciences, Leipzig**,
Postdoctoral researcher, magnetoencephalography (MEG) group
Responsible for psychological theory, experimental design and data analysis for the MEG group's research.

Education

- 2001–2003 **University of Bath**, Bath Teaching Course (provides FHEA eligibility)
- 1996–1999 **University of York**, D.Phil. Psychology
- 1993–1996 **University of York**, B.Sc. (hons) Psychology – First Class

Research, scholarship and consultancy activities

- 2016–present **Wessex Water Partnership Panel** Representing customers' interests and providing independent oversight on the company's delivery of its obligations
- 2016–present **Water Innovation and Research Centre (University of Bath)** Team leader for Water Awareness and Human Behaviour
- 2016–present **Transport and Health Study Group** Traffic Injury Prevention Subgroup member
- 2016 **British Psychological Society** Wrote two national behaviour-change policy briefings
- 2015–2016 **Department for Transport**. Invited Think! cycle safety campaign advisor
- 2015 **International Cycling Safety Conference, Germany**. Scientific committee member
- 2014–2016 **Save the Children/World Bank project**, Intervention to promote motorcycle helmets in Thai schoolchildren – project advisor
- 2014 **RWE npower**, Research on household dynamics to support Nest thermostat rollout
- 2014 **International Cycling Safety Conference, Sweden**. Scientific committee member
- 2014–2015 **Guest editor of *Transport and Health*** special edition on travel and older people
- 2013–2015 **TØI Norway**, Safety in Numbers Research, International steering group member
- 2013 **TRL/Transport for London**, Segregated bicycle infrastructure trials advisor
- 2013 **International Driver Behaviour and Training Conference** – scientific committee
- 2012 **Bicycle Traffic Safety Symposium, Koper, Slovenia**. Scientific committee
- 2012 **TravelWest partnership** Chair and advisor, TravelWest information project
- 2011–2015 **European Science Foundation** COST Action TU1101 on bicycle helmet research. Co-founder, Management Committee member and collaboration co-ordinator
- 2011 **JMP/UK Department for Transport** – project mentor for travel behaviour shaping project
- 2011 **International Driver Behaviour and Training Conference** – scientific committee
- 2010–2012 Member of **ESRC Peer Review College**
- 2010–present Reviewer for **ESRC Transport Research Centre**
- 2010 Co-organizer, transport lecture series, supported by **Department for Transport**
- 2009–11 **UK Department for Transport** climate change segmentation project – psychology advisor, literature reviewer and data analyst (following successful tender)
- 2009 **International Driver Behaviour and Training Conference** – scientific committee
- 2009 **JMP/National Business Travel Network** – data modelling work
- 2008–2012 **Centre for Transport and Psychology**, founder member
- 2008 **Parliamentary Road Safety Select Committee** – provided invited expert testimony
- 2008 **JMP/Transport for London** – New movers project consultant
- 2007 **Cycling England/North Yorks County Council** – transport intervention advisory work
- 2007 **International Driver Behaviour and Training Conference** – scientific committee
- 2006–2010 **European Science Foundation**, COST 357 (motorcycle helmet research) group member
- 2005–06 **Oxfordshire County Council** – travel surveys and road user focus groups
- 2005–present **Philica** open-access journal, co-founder and programmer
- 1998–1999 Chair, **UK Psychology Postgraduate Affairs Group (PsyPAG)**

Teaching, validation and quality assurance

2016	University of Bath , Winner, Mary Tasker teaching award (the university's main teaching excellence award)
2015–present	University of Bath , Senior teaching observer (cross-Faculty position)
2014–2018	University of Reading , External examiner, BSc Psychology
2014–2018	Robert Gordon University , External examiner, BSc Psychology
2014–present	University of Bath , Director of Studies, South-West Doctoral Training Centre: Environment, Energy and Resilience stream (MRes and PhD).
2011–2015	University of Bath , Year tutor
2010–2012	University of Bath , Undergraduate Admissions tutor
2008–2012	Sheffield Hallam University , External examiner, MSc Psychological Research Methods/MRes Psychology/BSc Psychology
2007–2012	University of Hertfordshire , External examiner for BSc Psychology
2006–2010	University of Bath , Director of Studies (MRes Psychology)
2006–present	University of Bath , member of faculty assessment appeals/disciplinary committee
2000–2004	University of Bath , Undergraduate Admissions tutor

Research funding (current total over £5m)

2016-2017	Walker, I. , Poortinga, W., Pavic, A., Preist, C. The GW4 Domestic Energy Consumption Group. GW4 Initiator funding, £8600
2016	Hurcombe, M., Cardon, N., Walker, I. , Hanna, E., Adkins, P. Reclaiming the Road: Experiencing Space and Place through Cycling. Brigstow Institute seed funding. £5000.
2015-2016	Forster, A., Walker, I. , Sadler, S., Martin, N., Buykx, P., Southgate, B. Developing and testing the feasibility and acceptability of a novel mobile app to increase habit strength for physical activity: The Bank of Good Times. Cancer Research UK Sandpit funding. £20,000
2014-2017	Walker, I. & Verplanken, B. Workplace energy reduction studentship, University of Bath, £57,000
2014-2017	Walker, I. & Verplanken, B. Developing psychologically informed travel surveys Phase 2, University of Bath, £57,000
2014-2017	Li, F., Wu, J., Walker, I. , et al. High Energy and Power Density (HEAPD) Solutions to Large Energy Deficits. EPSRC + Indian sources. £1.3 m [psychology workgroup leader]
2013-2014	Morgan, P., Kennedy, J., Walker, I. et al. Future Operational Impact of Electric Vehicles on European Roads (FOREVER). Conférence Européenne des Directeurs des Routes. €240,000
2012-2016	Coley, D., Verplanken, B., Walker, I. , et al. Energy literacy through an intelligent home energy advisor (ENLITEN). EPSRC, £1.5m [psychology workgroup leader]
2012-2013	Walker, I. , Verplanken, B., Whitmarsh, L., Xenias, D. Decision processes and interventions when people buy new cars. Shell UK industrial funding. £200,000
2011-2013	Walker, I. Low Carbon Network Fund/Western Power Distribution, Project FALCON Knowledge Transfer, £300,000
2011-2015	Walker, I. Low Carbon Network Fund/Western Power Distribution, Project BRISTOL Knowledge Transfer, £360,000 (in addition to other income for F. Li, M. Redfern, R. Aggerwal)
2011-2013	Walker, I. Low Carbon Network Fund/Western Power Distribution, LV Templates project Knowledge Transfer, £650,000 (with F. Li, G. Shaddick)
2011-2015	Bogerd, N., Otte, D., Walker, I. , Tomer-Fishman, T. Towards safer bicycling through optimization of bicycle helmets and usage. European Science Foundation COST Action c. €400,000
2011-2012	Walker, I. & Holt, N. Bath Ventures proof-of-concept funding. £13,000
2011	Walker, I. & Li, F. Low Carbon Network, development grant, £6000
2011	Walker, I. & Natarajan, S. Environmental attitudes and renewable energy for computers, Knowledge Transfer Fund/NPower, £4354
2011-2014	Walker, I. & Verplanken, B. Developing psychologically informed travel surveys, University of Bath, £57,000
2007	Holt, N. & Walker, I. Evaluating podcasting as a teaching mechanism in HE, Eduserve, £20,000
2006-2010	Parkhurst, G., Walker, I. , Robbins, D. Full GWR PhD Studentship co-funded by First Group
2006	Walker, I. Bicycle overtaking research, EPSRC, £6000 [pre-FEC]

Public engagement with science

Regular contributor to Science Week and Bath Taps into Science festival

Winner of the Wellcome Trust's first national *I'm a Scientist* event, organized to engage school students

Participant in EPSRC-funded Bright Club stand-up scientific comedy

Speaker at a wide range of public events, including British Psychological Society talks

Founder and programmer of *Philica* open-access journal, free to publish and to read

Participant in various Sutton Trust Widening Participation summer schools

Organized various school visits for science education

Media coverage

Thanks to its public relevance and sometimes surprising findings, my work has been featured in hundreds of media outlets and I have been interviewed in outlets across the world. My early work on driver-bicyclist interactions was selected by the *New York Times* as one of the defining ideas of the year after it was published, and I have become a regular media commentator since. I have been interviewed by such outlets as BBC 1 (inc. *Newsnight*), ABC (USA), BBC News 24, ITN, BBC Radios 2 and 4, BBC Radio Scotland, Discovery Channel, CBC

(Canada), Kanal 24 (Norway), and many other local radio and TV stations; in print: Reuters, Press Association, UPI, The Guardian, Daily Telegraph, Independent, Financial Times, The Times, Times Higher Education Supplement, The Scotsman, The Daily Record, Sunday Times, Wall Street Journal, Trouw, Der Spiegel, Hindustan Times, Berlingske Tidende, Toronto Star, and The Australian.
